

**CITY OF SACRAMENTO  
PERMIT READY ACCESSORY DWELLING UNIT PLAN  
SUBMITTAL GUIDE**

**Step 1: Prepare a Site Plan**

- Refer to Step 3 on the City's Accessory Dwelling Unit (ADU) Resource Center webpage with information on how to create a site plan, including an example site plan. (<https://adu.cityofsacramento.org/design/step-3>)
- What is needed on a site plan:
  - Scaled drawing (i.e., 1"=1'; ¼"=1', etc.);
  - Labeled and dimensioned property lines and all structures;
  - Existing and proposed structures on the property, including proposed ADU;
  - Dimension distances to all structures and property lines;
  - Identify and label any easements and water and sewer pipe locations, where applicable;
  - Identify and label all public and private roadways (i.e., streets, alleys, sidewalks).
- Determine left-side wall option.
  - Each permit ready ADU model comes with a left-side wall option that allows the left-side of the ADU to be located up to 1-foot from the property line. Details of the left-side wall option can be found on Permit Ready ADU Plan Sheet FSD.1.
  - All other sides of the ADU must be placed a minimum of 5 feet from property lines.
- The Site Plan must be submitted as a separate page and incorporated into the PLANS file of the submission.
- A Site Plan can be prepared by a design professional, contractor, or homeowner.

**Step 2: Prepare Solar/PV Plans (required for 2-bedroom model only)**

- The 2-bedroom model will need to provide solar/photovoltaic (PV) plans. These plans can be prepared by a registered design professional or the contractor performing the work.
- The solar/PV plans must be submitted as individual sheets and incorporated into the PLANS file of the submission.

**Step 3: Submit Your Planning Application Documents Online**

- All materials must be submitted online through the Citizen Portal: (<https://aca-prod.accela.com/SACRAMENTO/Default.aspx>)
- All materials must be submitted as Acrobat PDF files.
- Planning Application Documents must include:
  - APPLICATION
    - Accessory Dwelling Unit Planning Application (CDD Form: CDD-0009)
  - PLANS (The following items must be combined into a single Acrobat PDF)
    - Site Plan
    - Permit Ready Plan Set
  - SUPPLEMENTAL
    - Color photographs of the project site with labels to indicate the main dwelling unit and any other accessory building(s); photos of development on either side of the project site

and directly across the street from the project site. Photos should be merged into a single Acrobat PDF attachment.
